Sir:

SUPPLEMENTAL RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

On June 21, 2002, the Patent Office mailed a Notification of Missing Requirements under 35 U.S.C. 371 in connection with the above-identified patent application. In said Notification, the Patent Office indicated that the following items were missing: (1) an English translation of the application; (2) an oath or declaration of the inventors; and (3) a check for \$195.

On August 20, 2002, Applicants filed a response to said Notification, said response including the following items: (1) a copy of the Notification; (2) an English translation of the application; (3) a check for \$195; (4) a Preliminary Amendment; (5) a transmittal letter; (6) a Declaration; and (7) a postcard.

Following the filing of said August 20, 2002 response, the undersigned discovered that, due to a clerical error, the Declaration which was filed with said August 20, 2002 response was missing pages 2 and 3 thereof, said pages 2 and 3 of the Declaration having been mistakenly replaced with the signature page of an Assignment.

Accordingly, transmitted herewith please find the complete Declaration.

If there are any fees due in connection with the filing of this paper that are not accounted for, the Examiner is authorized to charge the fees to our Deposit Account No. 11-1755. If a fee is required for an extension of time under 37 C.F.R. 1.136 that is not accounted for already, such an extension of time is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,

Kriegsman & Kriegsman
